

2018 E-Waste Recycling Dates

The Tenant Relations Department each year sets up an E-Waste Recycling Program for the Tenants of the Embarcadero Center. We continue to expand our program so that you are able to dispose additional E-Waste items. Phones, TV's, VCR's, DVD players, and hand held electronics are accepted. Basically if your electronic item uses a battery or has a plug and you can carry it to the drop off site you can recycle it. If you have questions regarding your items please contact Barbara Mendoza @ 415.772.0731.

We currently have two trucks for each scheduled date, however depending on the demand the trucks may reach capacity prior to the completion of the event. For further information on scheduling your own pick-up for more than 10 items or have oversized items, call Computer Recycling at 415.643.6200 Ext. 22. Or visit <http://www.crc.org>. Below are the dates and locations for the E-Waste Recycling Days:

| Month | Day | Location | Time |
|-----------|-----------------|-------------------|----------|
| January | Thursday, 1/18 | 2 EC loading dock | 10am-2pm |
| February | Thursday, 2/15 | 4 EC loading dock | 10am-2pm |

| October | Thursday, 10/18 | 4 EC loading dock | 10am-2pm |
| November | Thursday, 11/15 | 2 EC loading dock | 10am-2pm |
| December | Thursday, 12/20 | 4 EC loading dock | 10am-2pm |

Federal Rules Regarding Battery Recycling

Department of Transportation requires batteries to be shipped for recycling to have tape over the positive terminal to prevent short circuits. Masking tape may be used. Batteries include cell phone, camcorder, rechargeable, alkaline and heavy duty household batteries. No automotive batteries please. Look for the white recycling kit next to the Recycling truck on E-Waste Recycling day.

For additional information regarding programs and services provided by the Tenant Relations Department please contact Barbara Mendoza at 415.772.0731.
